

A Statue of Vance

News Observer Chronicle; April 19, 1894, 1

**A Statue of Vance,
Communicated.**

RALEIGH, N. C., April 18.

I see that a subscription has been started for the purpose of erecting a monument to the memory of Senator Vance. I would respectfully suggest that instead of a monument a statue be erected in our Capitol Square, and if such a course is pursued the writer will subscribe for the purpose, and I doubt not that the money can be raised in a short while to honor him as no other North Carolinian has been honored before.

ADMIRER.
